- Information about signing up for a personalized influencer visit.

ADMISSION REQUIREMENTS

Columbia accepts a maximum of **75 transfer credit hours** from regionally accredited **two- and four-year institutions**. There is **no minimum** number of credit hours required to transfer.

Columbia takes a holistic approach when reviewing our applicants. We do not require a minimum GPA or ACT score, but we do weigh the essay portion of the application very heavily.

Admission Deadlines

- Fall: Rolling (May 1, *recommended*)
- Spring: Rolling (November 15, *recommended*)

Visit colum.edu/transfer for detailed information about application requirements, transfer policies, transfer planning tools, and credit evaluations.

ADMISSIONS EVENTS

Fall Open House
Saturday, November 4, 2017

During this event, we open our entire campus—classrooms, labs, library, residence centers, galleries, and theaters—so prospective students can experience all we have to offer. It's the best way for students to see if Columbia is the right fit. Our Transfer Suite is open all day to discuss credit and course equivalencies.

Manifest
Friday, May 11, 2018

Manifest is Columbia's annual urban arts festival that celebrates our graduating students. We take over Chicago's South Loop neighborhood, and students showcase their finest work from the past year, from exhibitions and concerts to poetry readings and street art.

Campus Tours
Weekdays at 9:30 a.m. and 1:30 p.m.

General campus tours highlight how our academics mix with the student experience to create well-rounded, experienced students who are experts in their fields. The tour includes classrooms, student spaces, the Career Center, and a residence center, among other spaces. The tour starts with a half-hour presentation about the college, and ends with a Q&A led by an Admissions Counselor.

SCHOLARSHIPS

We award annual, renewable scholarships to new transfer students. We don't require a scholarship application for Fall and Spring awards, but we encourage students to submit a FAFSA each year to be considered for all available financial aid programs.

Contact us by phone at **312-369-7130** (8:30 a.m.–11 p.m. CT, Monday–Friday) or email us at admissions@colum.edu with any questions.
