## YOUR PATH TO DEGREE COMPLETION

At Benedictine University, we're here to help you make the most of your college experience – from selecting a program that best suits your unique needs to landing your dream internship to navigating the sometimes-tricky financial aid process. Our dedicated faculty and staff make student success their top priority. Whether you choose to take classes on campus or online, you'll see what it means to truly live the Benedictine experience, and you'll walk away with not only a degree but the tools you need to succeed and advance in a career you love.

Whether you plan to transfer immediately or sometime down the road, Benedictine works with you to ensure an easy transfer and smooth path to graduation. We want to help you reach your educational and career goals.

\*Please note that select programs and partnerships are subject to different tuition, financial aid and scholarships. Your admissions counselor will inform you of those programs upon inquiry and application.
