ILLINOIS COLLEGE
JACKSONVILLE, IL

ILLINOIS COLLEGE TRANSFER HIGHLIGHTS

Transfer Admission & Application Requirements

:: Graduation from an accredited four-year high school or the equivalent with at least 15 units of credit

:: Verification of good academic standing at the institution from which the applicant wishes to transfer

:: A minimum 2.5 GPA for their most recent full time semester of college- level course work and a minimum cumulative 2.5 GPA for all college level coursework attempted

:: A minimum of 24 transferable credits completed. If 24 credits have not been completed the student's high school record will also be evaluated

Transferring Credits

:: Transferable courses must be taken at an accredited college or university

:: The courses must be undergraduate academic offerings at the 100-level or higher

:: You must have earned a "C" or better for a course to transfer

:: If a course does not have an exact Illinois College equivalent, but is generally transferable, it can be accepted as an elective

:: No more than 88 hours may be counted toward the Illinois College degree from two-year colleges

Financial Aid & Scholarships

:: For financial aid, use the IC FAFSA code: 001688

:: Transfer students are eligible for merit-based, renewable scholarships ranging from $15,000 up to $23,000 per year

:: Transfer scholarships are awarded at the time of admission

:: Visit our website for more information about scholarship opportunities for transfer students

JOIN US FOR A TRANSFER VISIT

The admission staff will review your application and provide you with an immediate admission decision on your transfer application to Illinois College. You can receive an estimated financial aid award before you leave campus if you have your FAFSA on file with Illinois College. You can also register for fall classes if you have submitted your $200 enrollment deposit before or during your visit.

Fall 2026 Transfer Visit Days

Friday, September 25 :: Friday, October 16 :: Friday, November 6 :: Friday, December 4

If you have questions or need guidance, contact Rick Bystry, transfer coordinator, at *rlbystry@ic.edu* or at *217.245.3029*.

ILLINOIS COLLEGE *CAMPUS HIGHLIGHTS*

Graduate READY

Our focus on the liberal arts and experiential learning means our students **Graduate READY** for success in graduate school and 21st-century careers. Our faculty and staff get to know you and your dreams for the future. This allows us to customize learning experiences that fit your needs, connecting you to internships, job-shadowing, study abroad, global BreakAway travel, collaboration with professional organizations and student-faculty research projects. Throughout your time at IC, you will have these life-changing experiences that make IC graduates stand out to employers and graduate schools.

Innovative Academic Programs

At Illinois College you will find cutting edge on-campus and online programs designed to prepare you for careers in today's fastest growing professions. We have recently announced several new traditional and online programs to add to our more than 50 existing majors and degrees. Our new programs include **agribusiness, actuarial science, pre-law, sports management, special education endorsement, criminal justice, health sciences, neuroscience, mechanical engineering, alcohol and other drug counseling, behavioral health, digital marketing, financial planning, organizational and strategic communication, bachelors in nursing (BSN) and masters in nursing (MSN)**. Each academic program has been designed to connect you with faculty who are leaders in their field and to provide hands-on learning opportunities to gain professional practice before you graduate. Visit **ic.edu/majors-programs** to explore and learn more.

International Experiences

At IC you will interact and collaborate with people from all over the world and have the opportunity to be immersed in culture as you live and work in places like Belize, Jamaica, Greece, Ireland and France with our study abroad and BreakAway programs. All students receive $1,000 toward a global BreakAway trip, and many work with our faculty and staff to find additional financial assistance and connections to unique intercultural exchange programs and experiences available at IC.

Student-Focused Learning Environments

From Bruner Fitness and Recreation Center, the region's premiere athletic facility, to Parker Science Building and Crispin Hall, which houses state-of-the-art laboratories and learning spaces that put your learning into action, we invite you to visit campus to explore what our campus can offer you.

Value

The lasting value of an education from Illinois College can be measured by what our students achieve from their first days on campus to their continued success after graduation. Our graduates have lower student debt than the national average for private colleges and universities. IC's sizable endowment also distinguishes us in the top 10 percent of private colleges per capita, helping us keep tuition cost lower. Trusted sources for higher education stats, such as U.S. News & World Report, Forbes, Peterson's Competitive Colleges and Money, all place Illinois College among the best values in higher education nationally. As a transfer student, you are eligible for a merit-based scholarship ranging from $15,000 to $23,000, renewable each year. Phi Theta Kappa scholars can receive an additional $2,000.

Additional Resources

:: Interested students are encouraged to explore our website **ic.edu** to learn more about the unique programs and benefits offered at Illinois College.

:: Questions regarding our online programs can be sent to **online@ic.edu**.

:: Find details and important dates for the transfer process at **ic.edu/apply/transfer**.
