Healthcare Done Differently

North Central College is a leader in healthcare education, with more than 37 undergraduate and graduate healthcare programs, including direct admit undergraduate-to-graduate options – even for transfers!

Why North Central for Healthcare:

- Rooted in the liberal arts, our students are highly valued for their empathy, understanding of different communities and refined social skills.
- Students are not limited to majoring in the biological sciences, but encouraged to pursue their passions AND their prerequisites, increasing their level of success in college by studying what they enjoy most while still making progress towards their healthcare or STEM career.
- Our faculty mentors and dedicated health programs advisor guide students through developing a personal plan to prepare for what comes next, whether it's medical school, other graduate programs or employment.
