

AT A GLANCE:

- Zero Tuition Program available for on-campus students (Certain requirements must be met)
- ONU no longer has a limit on the maximum number of transfer credit hours from an accredited college or university** (Requirement of at least 30 upper division credits taken at ONU)
- 3500+ students total including students in our online programs
- Rated in the top 5 Private Christian Universities in number of transfer students in the country
- 22 Intercollegiate Teams – Member of NAIA Conference (National Association of Intercollegiate Athletes)
- More than 90 clubs and organizations representing diverse interests
- 97% Career Outcomes rate within 6 months of graduation (94.4% Employed, remainder pursuing graduate school/military)

** All coursework is accepted in transfer; however, only courses with a grade of “C” or better will meet program requirements

TRANSFER SCHOLARSHIPS*:

Cumulative Collegiate GPA	Total Collegiate Credit Hours	
	0-30 hours	31 hours or more
3.50 - 4.00	\$18,500	\$20,500
3.00 - 3.49	\$17,000	\$18,000
2.50 - 2.99	\$16,000	\$16,500
2.00 - 2.49	\$15,500	\$16,000

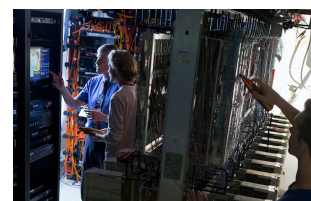

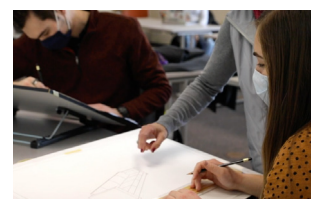

PHI THETA KAPPA STUDENTS
are automatically eligible for an additional \$2000 per year.

*In addition to academic awards, transfer students may also be eligible for need-based funding, as well as athletic, art, music and ROTC scholarships.

*Transfer Scholarships are for on-ground campus programs only - Online programs have different tuition structure

NEW/UNIQUE PROGRAMS:

- **B.S. ENTREPRENEURSHIP** - This brand new program is designed for students looking to start their own business, have a big idea or want to bring innovation and creativity to an existing organization. The focus is to equip students students to start new ventures and fosters entrepreneurial spirit.
- **B.S. CYBERSECURITY** - Whether it is education, military, healthcare or business, cybersecurity specialists are needed in almost every industry. This program focuses on developing cybersecurity experts to fill the almost 200,000 open positions across the U.S. Olivet’s program features access to a state-of-the-art cybersecurity lab that demonstrates real-time cyber attacks around the world.
- **B.S. ZOOLOGY** - Olivet is one of the only Christian colleges, (and only one of two universities in Illinois), offering unique courses and training to prepare for a career in zoology or pre-veterinary medicine. Olivet students have actually created and continue to maintain and study a prairie meadow.
- **B.A. EARTH and SPACE SCIENCE** - Along with gaining a foundation in interdisciplinary sciences, students also receive unique training for employment in the planetarium community. Olivet is one of only a handful of Christian universities with a planetarium on campus. Possible careers range from Natural Resource Manager to Astrobiologist.

ASPIRA INITIATIVE:

- The mission of Aspira Hispanic Initiative is to educate, inspire and empower students to consider college as an option.
- We do this through college visits, student-to-student interactions, sports events, church relations, pre-college programs, and more.
- Establish partnerships and trusted relationships with our surrounding Hispanic community members to expand educational opportunities and build connections for underrepresented students.
- Resource Hispanic students with relevant and timely information to engage with the college admissions process.
- Communicate financial aid and scholarship opportunities to students and parents and support them during the application process.
- Support students through their admission process from initial application to eventual enrollment.
- Help students and parents eliminate obstacles and address any concerns or pitfalls about the college admission process.
