

FALL 2026-SPRING 2027 TRANSFER UPDATES

Dominican University is Chicago's premier Catholic Hispanic-Serving Institution. At an HSI like Dominican, students join a diverse and inclusive community.

- For 125 years, Dominican University — a Sinsinawa Dominican-sponsored institution — has upheld its mission to prepare students to pursue truth, to give compassionate service, and to participate in the creation of a more just and humane world.
- New for the **2026-2027** academic year, Dominican now allows students a full year and two attempts at their TEAS exams.
- Dominican's **Bachelor of Science in Nursing (BSN**) program accepts transfer students twice a year. Students must meet all university admission requirements and submit official ATI TEAS scores with a minimum of 68% by the deadline to be reviewed for admission into the BSN program by the Nursing Admissions and Progression Committee. In 2024, **97% of Dominican nursing graduates successfully passed the National Council Licensure Examination (NCLEX)**, outpacing state and national rates.
- Founded in 1901, Dominican is celebrating its 125th anniversary! Join us in commemorating this milestone with events that honor our impact on students and our community.
- Dominican's new **Bachelor of Business Analytics program** integrates business strategy with emerging technologies, empowering you to make confident, ethical, data-driven decisions. Additionally, Dominican's Brennan School of Business also recently launched a new **Bachelor of Science in Healthcare Management** degree.
- Phi Theta Kappa (PTK) has named Dominican University to its Honor Roll for 2026, recognizing our exceptional success assisting transfer students and remaining transfer-friendly.
- Our new **Financial Trading, Business Analytics, and Data Science Center** offers students hands-on experience with industry-standard tools like Bloomberg for market analysis, Tableau and Power BI for data visualization, and Python for machine learning.
- Dominican is a university that allows for Reverse Transfer—hopefully, you are too.

Bachelor of Professional Studies (BPS)

Under the College of Applied Social Science (CASS), the BPS is designed for working adults looking to complete an undergraduate degree and advance professionally. **Courses are offered online in an accelerated format and are offered at a reduced tuition rate for transfer students.**

✚ Applied Business ✚ Health and Human Services ✚ Social Justice and Legal Studies

For information on the BPS, please contact Jennifer Pierce, Adult Undergraduate Recruiter | jpierce2@dom.edu | (708) 524-6064

Discover Dominican Open House

Dominican invites you and your students to our signature open house from **11 a.m.-2 p.m. on Saturday, November 7**. Tour our scenic campus, enjoy brunch and attend sessions exploring our academic programs and student life. This one-of-a-kind event will show your students why Dominican is the place where their next great journey starts. Presentations will be in English with sessions and tours also available in Spanish.

As a special opportunity specifically for transfer counselors, Dominican will host a Counselor Breakfast during National Transfer Week this year. Please ask your DU representative for details and your invite to this event, which will be held on Friday, October 23.

Our Transfer Admission team is happy to work directly with your community college advisors.
