

AT A GLANCE:

- Zero Tuition Program available for on-campus students (Certain requirements must be met)
- Over \$110 million awarded in Financial Aid
- ONU no longer has a limit on the maximum number of transfer credit hours from an accredited college or university** (Requirement of at least 30 upper division credits taken at ONU)
- 3700+ students total, including students in our online programs
- Rated in the top 5 Private Christian Universities in the number of transfer students in the country
- 22 Intercollegiate Teams – Member of NAIA Conference (National Association of Intercollegiate Athletes)
- 97% Career Outcomes rate within 6 months of graduation (94.4% Employed, remainder pursuing graduate school/military)

*** All coursework is accepted in transfer; however, only courses with a grade of “C” or better will meet program requirements

TRANSFER SCHOLARSHIPS*:

Cumulative Collegiate GPA	0-30 Collegiate Credits Hours	31 hrs. or more Collegiate Credits Hours
3.50-4.00	\$20,000	\$22,000
3.00-3.49	\$18,500	\$19,500
2.50-2.99	\$17,500	\$18,000
2.00-2.49	\$17,000	\$17,500
PHI THETA KAPPA STUDENTS are automatically eligible for an additional \$2000 per year.		

*In addition to academic awards, transfer students may also be eligible for need-based funding, as well as athletic, art, music and ROTC scholarships.

*Transfer Scholarships are for on-ground campus programs only - Online programs have different tuition structure

HIGHLIGHTED PROGRAMS:

- **Transfer Scholars- Coming Spring 2026:** Students at your institution will have the opportunity to enroll in select Olivet courses online at a reduced tuition rate—expanding access to high-quality, accredited instruction while remaining fully enrolled at your campus. This partnership provides a flexible and cost-effective pathway to expand academic offerings and support student success.
- **B.S Engineering-** At Olivet Nazarene University, we believe the study of engineering opens the door to careers that make a difference. Olivet’s expert engineering faculty are experienced instructors who mentor, guide, and teach from experience. They work to provide students with the best in professional preparation – from deep lecture to hands-on laboratory experiences to challenging projects for real-world clients.
- **B.F.A Art Education** - Olivet’s art education students learn in closely knit classes designed not only to build skill in a variety of art mediums, but to apply those skills in building their own art curriculum for their future classrooms. The Department of Art and Digital Media strives to prepare future art teachers with sound artistic skills, practical teaching experiences, and a desire to serve others through the arts. Technology integration, the role of the arts in contemporary culture, and contemporary teaching practices are emphasized.
- **B.A. RECORDING ARTS** - Students will develop diverse skills to bring into a career in creative recording and audio engineering. The School of Music’s recording studio is available to RA students for school projects and personal projects. This creates an environment of collaboration and hands-on learning, much like creativity happens in the music industry.

ONLINE PROGRAM INFORMATION*:

Eight Online Bachelor Completion Programs

- BSBA - Bachelor of Science in Business Administration
- RN-BSN - Bachelor of Science in Nursing
- BS in Computer Science
- BS in Cybersecurity
- BS in Computing Technology
- BS in Early Childhood Education
- BS in Child Development
- BS in Christian Ministry

Four Online Graduate Degree Programs
