

OUR APPLICATION:

Students can apply online through our [SXU Application](#) which has no fees. Our application is open and we are currently accepting applications for Summer and Fall 2026. We recommend applying as early as possible. We review applications on a rolling basis for non-nursing programs. As soon as all application materials are received, a typical admission decision will be made within two weeks of submission.

TRADITIONAL BSN APPLICATION REQUIREMENTS:

For all SXU application types, a completed application includes a submitted application and official college transcript(s) from any and all colleges/universities attended. Students with fewer than 30 credit hours are also required to submit their official final high school transcript. Applicants to our nursing program (Transfer BSN) are required to submit additional materials that may include:

- An official TEAS exam score (58.7%)
- A nursing essay of interest
