

TRANSFER & DEGREE COMPLETION

THE RED THREAD

The Red Thread defines the uniqueness of Benedictine University. It connects us through academic, professional and social interactions. It etches into the fabric of our existence the mission and values we've honored since 1887.

TRANSFER & DEGREE COMPLETION

Whether you're working to attain your associate degree, are transferring from another four-year institution or are returning to school after taking time off, Benedictine provides a streamlined approach to maximize your path toward degree completion and to achieve your educational and professional goals!

FLEXIBILITY MATTERS

Benedictine offers a variety of formats for degree completion coursework, including traditional daytime classes as well as night and online options to fit your unique needs. Inquire with your admission counselor regarding our hybrid programs within the Goodwin College of Business or our fully online degree program, General Professional Studies.

WILL YOUR COURSES TRANSFER?

Benedictine is a part of the Illinois Articulation Initiative (IAI), which means some courses automatically qualify for in-state transfer. By utilizing Transferology and the Transfer Evaluation System (TES) at ben.edu/transfercredit, it's easy to understand how your courses will transfer over to BenU! If you need assistance, our admissions staff can streamline an unofficial review of your coursework to chart your path to degree completion.
