Danville Location - 903 N. Logan Avenue • Danville, Illinois

Charleston Location - 580 W. Lincoln Avenue • Charleston, Illinois

Both of our campus locations offer many amenities under one roof: classrooms provided with the latest technology, impressive nursing skills labs that include life-like, high-tech simulators, spacious computer labs, comfortable conference areas, nicely equipped student lounges, and quiet study areas.

Lakeview's Bachelor of Science in Nursing degree will give graduates the opportunity to do the following:

- ★ Take the NCLEX-RN exam for licensure as a registered, professional nurse (RN).
- ★ Become the preferred candidate for entry-level nursing positions.
- ★ Achieve the beginning educational requirement for many management-level positions.
- ★ Form the necessary foundations for opportunities at the master's or doctoral level.
